TrolleyBasket

The unique and attractive TrolleyBasket is equipped with 4 wheels to keep your customers shopping comfortably with no weight to carry. The patented design holds the pull-handle in an ergonomic position while in use. The sturdy design and rotating swivel wheels ensure superior mobility and quiet maneuvering even with heavy loads up to 110 lbs (50 kg). Overall, the TrolleyBasket is a revolutionary new solution that increases the average sales in your stores by creating a better and more convenient customer experience.

Materials:

- Basket material: Polypropylene (recyclable)
- Carry-handle material: ABS
- Pull-handle material: ABS
- Wheels: PU/PP

Colors and Logotype:

- Red, Green, Black and Blue standard.
- Custom colors available with orders of 500+ units
- Logo printing available on all 4 sides of the basket

The average sales ticket is
20-25% higher with a TrolleyBasket
